RE: REQUEST FOR TIME CLOCK SUSPENSION: WALNUT CREEK WATER COMPANY- APPLICATION FOR AN EXTENSION OF ITS CERTIFICATE OF CONVENIENCE AND NECESSITY DOCKET NO. W-02466A-06-0504

On August 7, 2006, Walnut Creek Water Company ("Walnut Creek" or "Company") filed with the Arizona Corporation Commission ("ACC" or "Commission") an application for extension of its Certificate of Convenience and Necessity ("CC&N") to provide water service in Mohave County, Arizona.

On September 1, 2006, the ACC Utilities Division ("Staff") filed an Insufficiency Letter, indicating that the Company's application did not meet the sufficiency requirements of Arizona Administrative Code ("A.A.C.") R14-2-402(C). A copy of the Insufficiency Letter was sent to the Company via U.S mail. In the Letter, Staff listed the deficiencies that needed to be cured for administrative purposes.

On November 8, 2006, the Company filed a letter in the docket, requesting time clock suspension. In the letter, Mr. Dennis Sim, the President of the Company, indicated that he has been unable to respond to Staff's September 1, 2006 Insufficiency Letter due to health related issues. Mr. Sim further stated that he has every intention to pursue the application and hopes to be back in the office soon.

Staff has no objection to the time clock being suspended. Staff recommends that the time clock be suspended until June 30, 2007, to allow Mr. Dennis Sim adequate time to recuperate and respond to Staff's September 1, 2006 Insufficiency Letter. After June 30, 2007, if the Company fails to respond to Staff's September 1, 2006 Insufficiency Letter, Staff may request that the case be administratively close.

RE: Docket W-02466A-06-0504  
Walnut Creek Water Company, Inc - Application for Extension of  
Certificate of Convenience and Necessity

Dear Blessing:

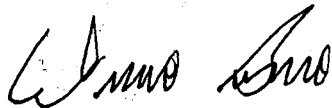

Pursuant to a telephone conversation with your office on Friday, October 27, 2006, I am formally requesting a time clock suspension regarding the above-mentioned application.

I recently had several surgeries and there have been complications with regard to the surgeries which have caused me to be out of the office for the past several months. Due to my health issues, I have been unable to complete our response to the deficiency letter dated September 1, 2006.

I have every intention of pursuing this application and I hope to be back in the office soon and able to continue work on the application within the next month.

Please advise the approval or denial of my suspension request and I will contact your office as soon as I am back in my office and able to continue with the application.

Thank you for your assistance,

Dennis Sim, President
